Completion (Graduation) and Transfer-out Rates

Graduation Rates

Aggregated Graduation Rates for Kenrick-Glennon School of Theology:
Data are collected on the number of students entering the institution as full-time, first-time, degree/certificate-seeking undergraduate students in a particular year (cohort); the number completing their program within 150 percent of normal time to completion; and the resulting percentage is calculated.

75% 59% 75% 64% 60%

Graduation Rates for Cardinal Glennon College:

8/6=133% 4/7=57% 2/1=200% 7/7=100% 3/6=50%

Note on percentages: Rates over 100% reflect the fact that a first-year class has had new students enter in subsequent years and graduate with that class.

Transfer-Out Rate

Transfer-Out Rate means total number of students who are known to have transferred out of the reporting institution within 150% of normal time to completion divided by the adjusted cohort. A transfer-out student is a student that leaves a reporting institution and enrolls at another institution.

Note on Disaggregated Rates: Kenrick-Glennon Seminary does not disclose disaggregated rates (rates separated according to gender, race, or recipients of federal aid) because its numbers are so small. This is in accordance with the text on p. A-23 of the Report of the National Postsecondary Education Cooperative, Information Required to Be Disclosed Under the Higher Education Act of 1965: Suggestions for Dissemination: "Disaggregated rates are to be disclosed only if the number of students in each group is sufficient to yield statistically reliable information and not reveal personally identifiable information about an individual student."
